National Farming Convention And EXPO

NAFCO is a new idea that originated from the Parents Governing Body of Hoërskool Ben Viljoen in Groblersdal. Due to a demand of meeting financial commitments, the Governing body thought to utilise it's recourses in the Agricultural industry to generate funds for the school.

NAFCO is a farming conference and expo with national speakers, workshops for various farming commodities and an exhibition centre of all products and suppliers related to the farming industry. The very first NAFCO conference and expo will be held on the 35 hectare grounds of Hoërskool Ben Viljoen for 3 days, from the **30th September to 2nd October 2010**. It aims to be the biggest Agricultural expo in the Limpopo and Mpumalanga provinces.

SATI is the main commodity sponsor for table grapes and would like to urge all table grape producers to attend. Further information on the conference and registration is available at www.nafco.co.za / contact Rhomona at rhomona@satgi.co.za.
